

# Starlet CR Select Dual Wattage

Commercial Lighting

### **Product Information**

The Starlet CR Select dual wattage Panel design makes it ideal for commercial applications and this incorporated with its high-quality TP(b) rated diffuser & very low profile, the panel can be used throughout the install with minimal restriction. Along with the convenience of being able to switch between the luminaire output on site making it a very versatile panel.

The panel construction also helps lighting designers achieve UGR19 compliant schemes.

Comes with a 5 year warranty for peace of mind.
